Grupo Losán

Grupo Losán

Somos una Compañía Española dedicada a la fabricación de productos de madera, destinados a la Industria del Mueble, Decoración y Equipamiento.

We are a Spanish Company, exclusively dedicated to the manufacture of wood products, for the Furniture, Decorative and Equipment Industries.

En la actualidad el Grupo Losán esta compuesto por dieciocho Empresas, presentes en diez Países, ubicadas estratégicamente para estar cerca de las mejores materias primas y por lo tanto suministrar eficazmente productos personalizados de alta calidad, que nos demandan más de tres mil clientes en todo el mundo.

At present Grupo Losán is made up of eighteen Companies, in ten Countries, strategically situated so as to be near the best possible raw materials. This means an efficient supply of the high quality personalised products that our more than three thousand customers world-wide have come to expect of our Company.

Teniendo como signos de identidad la innovación y la calidad, nuestro constante objetivo es incrementar la satisfacción de las Empresas y Personas que confían en nosotros.

Innovation and quality are our personal signs of identity and our constant objective is, and has always been, to increase the satisfaction of the Companies and People who place their trust in us.

Definición de Melamina,

Tablero aglomerado, contrachapado, mdf o tablex, recubierto mediante presión y temperatura con papel impregnado de colas meamínicas, obteniendo una superficie de alta consistencia que resiste al rayado, calor y decoloración.

Melamine definition,

Particle board, plywood, mdf or Tablex, covered by means of pressure and temperature with paper impregnated with melamine glues, resulting in a highly consistent surface which is resistant to scratch, heat and discoloration.

Definición de Textura,

Forma en que están entrelazadas las fibras de un tejido, lo que produce una sensación táctil o visual.

Texture definition,

A structure of interwoven fibers or other elements, that produce a visual sensation.
