AVAILABLE FINISHES - SUPER MATTE AND HIGH-GLOSS

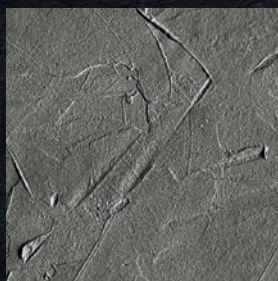

Oneskin has launched a new collection of decors: **Oxide** and **Stucco**.

Keeping up with the latest trend in interiors design, which emphasizes in natural and raw surfaces, our Stucco decors replicate the effects of rough painted walls, while the Oxide decors reproduces the natural phenomenon of oxidized metals.

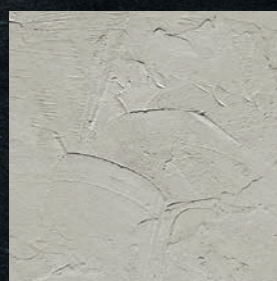

These new colors are available in both Super Matte and High Gloss finishes, and as always, insuring the top quality level our panels have been known for.
